Designated Safeguarding Lead: Mrs Sara Haden
Named Governor with lead responsibility: Andrew Newland
Date written: October 2021
Date agreed and ratified by Governing Body: October 2021
Date of next review: October 2022

This policy will be reviewed at least annually, and following any concerns and/or updates to national/local guidance or procedures

Introduction

This policy is based on DfE guidance "Preventing and Tackling Bullying" July 2017 and supporting documents. It also considers the DfE statutory guidance "Keeping Children Safe in Education" 2021 and "Sexual violence and sexual harassment between children in schools and colleges" guidance. We have also read, Childnet's "Cyberbullying: Understand, Prevent and Respond: Guidance for Schools".

1) Policy Objectives

We are committed to providing a caring, friendly and safe environment for all our pupils so they can learn in a relaxed and secure atmosphere. Bullying of any kind is unacceptable at our school. If bullying does occur, all pupils should be able to tell and know that incidents will be dealt with promptly and effectively. We are TELLING schools- anyone who knows that bullying is happening is expected to tell the staff. Boscastle & Port Isaac Primary Schools are committed to developing an anti-bullying culture where the bullying of adults, children or young people is not tolerated in any form.

This policy outlines what Boscastle & Port Isaac Primary Schools will do to prevent and tackle all forms of bullying.

2) Links with Other School Policies and Practices

This policy links with several school policies, practices and action plans including:

- Behaviour and discipline policy
- Online bullying policy
- Complaints policy
- Child Protection & safety policies
- Peer on peer abuse policy
- Confidentiality policy
- Curriculum policies, such as, RSE/RSHE, PSHE, citizenship and computing
- Mobile technology and social media policies

Links to Legislation

- There are several pieces of legislation which set out measures and actions for schools in response to bullying, as well as criminal and civil law. These may include (but are not limited to):
 - The Education and Inspection Act 2006, 2011
 - The Equality Act 2010
 - The Children Act 1989
 - Protection from Harassment Act 1997
 - The Malicious Communications Act 1988 o Public Order Act 1986.

4) Responsibilities

It is the responsibility of:

- The headteacher to communicate this policy to the school community, to ensure that disciplinary measures are applied fairly, consistently and reasonably, and that a member of the staff team has been identified to take overall responsibility.
- Governors to take a lead role in monitoring and reviewing this policy.
- All staff, including governors, senior leadership, teaching and non-teaching staff, to support, uphold and implement this policy accordingly.
- Parents/carers to support their children and work in partnership with the schools.
- Pupils to abide by the policy.

5) Definition of Bullying

- Bullying can be defined as 'behaviour by an individual or a group, repeated over time that intentionally hurts another individual either physically or emotionally'. DfE 'Preventing and Tackling Bullying
- Bullying can include physical and emotional abuse such as name calling, taunting, mocking, making offensive comments, kicking, hitting, taking belongings, producing offensive graffiti, gossiping, peer isolation (e.g. excluding people from groups) and spreading hurtful and untruthful rumours.
- The same unacceptable behaviours can be expressed online; this is sometimes called online bullying or cyberbullying. Specifically this can include sending offensive, upsetting and inappropriate messages by phone, text, instant messenger, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos.
- Boscastle & Port Isaac Primary Schools recognise that bullying can be emotionally abusive and can cause severe and adverse effects on children's emotional development.
- Bullying is recognised by Boscastle & Port Isaac Primary Schools as being a form of peer on peer abuse; children can abuse other children.
 - Abuse is abuse and it should never be tolerated or passed off as "banter", "just having a laugh" or "part of growing up".
 - We recognise that even if there are no reports of bullying, it does not mean it is not happening and it may be the case that it is just not being reported.
 - All victims will be taken seriously and offered appropriate support, regardless of where the abuse takes place.

7) School Ethos

Boscastle & Port Isaac Primary School communities recognise that all forms of bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing. By effectively preventing and tackling bullying our schools can help to create a safe and disciplined environment, where pupils are able to learn and fulfil their potential.

Our Community:

- Understands the importance of challenging inappropriate behaviours between peers. Monitors and reviews our anti-bullying policy and practice on a regular basis.
- Supports staff to promote positive relationships to help prevent bullying.
- Recognises that some members of our community may be more vulnerable to bullying and its impact than others; this may include children with SEND. Being aware of this will help us to develop effective strategies to prevent bullying from happening and provide appropriate support, if required.
- Will intervene by identifying and tackling bullying behaviour appropriately and promptly.
- Ensures our pupils are aware that bullying concerns will be dealt with sensitively and effectively; that everyone should feel safe to learn and abide by the anti-bullying policy.
- Requires all members of the community to work with the school to uphold the antibullying policy.
- Recognises the potential impact of bullying on the wider family of those affected so will work in partnership with parents/carers regarding all reported bullying concerns and will seek to keep them informed at all stages.
- Will deal promptly with grievances regarding the school response to bullying in line with our complaints policy.
- Seeks to learn from good anti-bullying practice elsewhere.
- Utilises support from the Local Authority and other relevant organisations when appropriate.

8) Responding to Bullying Concerns

The following steps will be taken when dealing with any incidents of bullying reported to the school:

If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern.

The school will provide appropriate support for the person being bullied – making sure they are not at risk of immediate harm and will involve them in any decision-making, as appropriate.

The DSL will be informed of all bullying concerns, especially where there may be safeguarding issues.

- The headteacher (DSL), Deputy Designated Safeguarding Leads (DDSL) or another appropriate member of school staff will interview all parties involved.
- A clear and precise account of bullying incidents will be recorded by the school in accordance with existing procedures. This will include recording appropriate details regarding decisions and action taken.
- The school will speak with and inform other staff members, where appropriate.
- The school will ensure parents/carers are kept informed about the concern and action taken, as appropriate and in line with child protection and confidentiality policies.
- Appropriate sanctions and support, for example as identified within the school behaviour policy and child protection policy, will be implemented in consultation with all parties concerned. o If necessary, other agencies may be consulted or involved, for example the police if a criminal offence has been committed, or Integrated Children Services or Early Help if a child is felt to be at risk of significant harm.
- Where the bullying of or by pupils takes place off school site or outside of normal school hours (including cyberbullying), the school will ensure that the concern is fully investigated and responded to in line with this policy and the school behaviour policy. If required, the DSL will collaborate with DSLs at other settings.

Cyberbullying

When responding to cyberbullying concerns, the school will:

Act as soon as an incident has been reported or identified.

Provide appropriate support for the person who has been cyberbullied, and work with the person who has carried out the bullying to ensure that it does not happen again.

Encourage the person being bullied to keep any evidence (screenshots) of the bullying activity to assist any investigation.

Take all available steps where possible to identify the person responsible.

This may include:

- looking at use of the school systems
- identifying and interviewing possible witnesses
- Contacting the service provider and the police, if necessary. o Work with the individuals and online service providers to prevent the incident from spreading and assist in removing offensive or upsetting material from circulation.

This may include:

- Support reports to a service provider to remove content if those involved are unable to be identified or if those involved refuse to or are unable to delete content.
- with the law and the school searching and confiscation policy. (We will access the DfE 'Searching, screening and confiscation at school' and Childnet cyberbullying guidance to ensure that the school's powers are used proportionately and lawfully).
- Requesting the deletion of locally-held content and content posted online if they contravene school behavioural policies.

Where an individual can be identified, the school will ensure that appropriate sanctions are implemented to change the attitude and behaviour of the bully, as well as ensuring access to any additional help or support they may need.

Inform the police if a criminal offence has been committed.

Provide information to staff and pupils regarding steps they can take to protect themselves online.

This may include:

- advising those targeted not to retaliate or reply.
- providing advice on blocking or removing people from contact lists.
- helping those involved to consider and manage any private information they may have in the public domain.

Supporting Adults

Our school takes measures to prevent and tackle bullying among pupils; however, it is equally important to recognise that bullying of adults, including staff and parents, whether by pupils, parents or other staff members, is unacceptable.

Adults who have been bullied or affected will be supported by:

- Offering an immediate opportunity to discuss the concern with the designated safeguarding lead, a senior member of staff and/or the headteacher.
- Advising them to keep a record of the bullying as evidence and discuss how to respond to future concerns.
- Where the bullying takes place off school site or outside of normal school hours (including online), the school will still investigate the concern and ensure that

appropriate action is taken in accordance with the schools' behaviour and discipline policy.

 - Challenge practice and language (including 'banter') which does not uphold the school values of tolerance, non-discrimination and respect towards others.

 - Work with staff, the wider community and outside agencies to prevent and tackle concerns including all forms of prejudice-based and discriminatory bullying.
 - Celebrate success and achievements to promote and build a positive school ethos.
- Policy and Support

Provide a range of approaches for pupils, staff and parents/carers to access support and report concerns.

Regularly update and evaluate our practice to consider the developments of technology and provide up-to-date advice and education to all members of the community regarding positive online behaviour.

Take appropriate, proportionate and reasonable action, in line with existing school policies, for any bullying brought to the schools' attention, which involves or affects pupils, even when they are not on school premises; for example, when using school transport or online, etc.

Implement appropriate disciplinary sanctions; the consequences of bullying will reflect the seriousness of the incident, so that others see that bullying is unacceptable.

Use a variety of techniques to resolve the issues between those who bully, and those who have been bullied.
