Summer Newsletter 2023 – Number 8

16 June 2023

Dear Parents

This week ...

Class 1 Walk to the Bell Tree

Porthpean Residential Trip

I had so much fun. I felt safe and calm everywhere. The instructors were very kind and encouraging.
Esmee

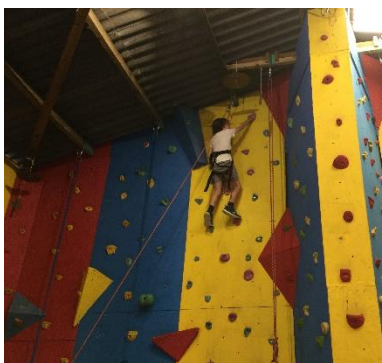

My favourite thing was high ropes as it was the scariest.
Theo

At the start of the Resi I was nervous but as we went on I got less and less nervous.
George

My favourite part was sitting in our tents in the evening and playing games and chilling.
Isabella

When I first went to Porthpean I was feeling super nervous but when I got there I felt so at home.
Willow

Valley Vibes Festival Preparation

Whilst most of class two and three are at their residential the rest of us have been preparing for the Valley Vibes festival.

4 Some other class one students were helping Mrs Hart with flags so we can tie-dye them and then put them on display at the festival. We rolled them up and secured them with rubber bands. Another technique that we used was pinching a bit of fabric and putting a rubber band around the little section. When you put rubber bands around it stops the dye from getting to it and that is how the pattern works.

6 We are so excited for our very first Valley Vibes festival. It is not long till it happens. It is on the 1st of July and it starts at 2:30 and ends at 8:30. Please enjoy!

Yesterday, class one were very busy making specific measurements for wristbands. Each wristband consisted of a 30cm piece of string and a mini wooden disc. The wristbands have a job of showing the staff on the gate whether the person wearing it is allowed to enter the Valley Vibes festival. You must own one to have permission to come to the festival.

2. We have been cleaning out the shed for the snack shack they swept and took out the boxes.

5 In cooking club we have been making lots of food like cupcakes / biscuits and lots more. We have been making vegetarian and gluten free so then all of you can eat. And you can bring your own food.

Thank you to Isabella, Molly, Lily and Alfie, and Year 2 for all their hard work with Festival preparations.

Half Term Reading Challenge

Well done to everyone who took part in the Reading activity to make a story setting ... we had shoe box scenes, models and drawings which the children shared in Celebration Assembly!

Deli Farm Run

Our Deli runners were presented with their certificates in Celebration Assembly.

Apologies for last week's mistake!

Well done to Alec who achieved a Merit in the Engineering competition.

DUCK RACE – Sunday 18 June

Times for the day:

11.30 Duck Race opens including children's stalls.

13.00 – 13.30 School Performances (Children to meet staff on lawn at 12.45)

15.00 Duck Race

Thank you to everyone who sold tickets for Duck Race and for all the offers of help which are very much appreciated.

See you all on Sunday!!

Next week ...

Year 5 and 6 Bikeability

We've had a huge response to Bikeability, which will be running from Monday to Wednesday next week.

Please bring bikes and helmets into school on Monday morning (bikes will be locked indoors overnight). Also remember to bring a waterproof jacket, and wear PE Kit/ comfy clothes and trainers for cycling.

Remember to do your last minutes checks of brakes and tyres, etc.

As science lead, Mrs Turvey has organised an exciting Space Dome visit for the whole school on Thursday, which will be in the Sports Hall. Children will be exploring planets and the solar system.

A huge thank you to School Association for their support in funding the day.

Kind regards

Sara Haden
