Autumn Newsletter 2023 – Number 8

03 November 2023

Dear Parents

This week...

Attendance Update

Good news ... our attendance is continuing to improve and since coming back to school in September is currently at **94.2%**

We continue aiming to reach our target of **96%** attendance by the end of this year and hugely appreciate your support in making sure children are at school every day and arrive on time.

Attendance Matters

Class 1

In Class 1, we have been looking at writing instructions for making clay hedgehogs and pumpkin soup. We have been testing materials to identify what would be suitable to make poppies which will be displayed outdoors.

We joined in with the 'sea shanty' singing practice of the whole school to practice for the 'sea shanty' singing festival.

Class 2

In Class 2 this week, we have been beginning preparations for our Diwali party next week. We hope to see you on Thursday from 2:30pm. In writing, we have begun planning a non-chronological report about Life in the Stone Age. The children have learnt so much and are excited to share their knowledge!

Class 3

Class Three have been finishing and evaluating their information sheets in English. We have continued to discuss and read our Class novel, Freedom. The novel is sparking and initiating some powerful conversations. In Maths, we are developing our understanding of the four operations. We have been celebrating difference in P.S.H.E. by talking about how we respect similarity and difference.

Cooking Club

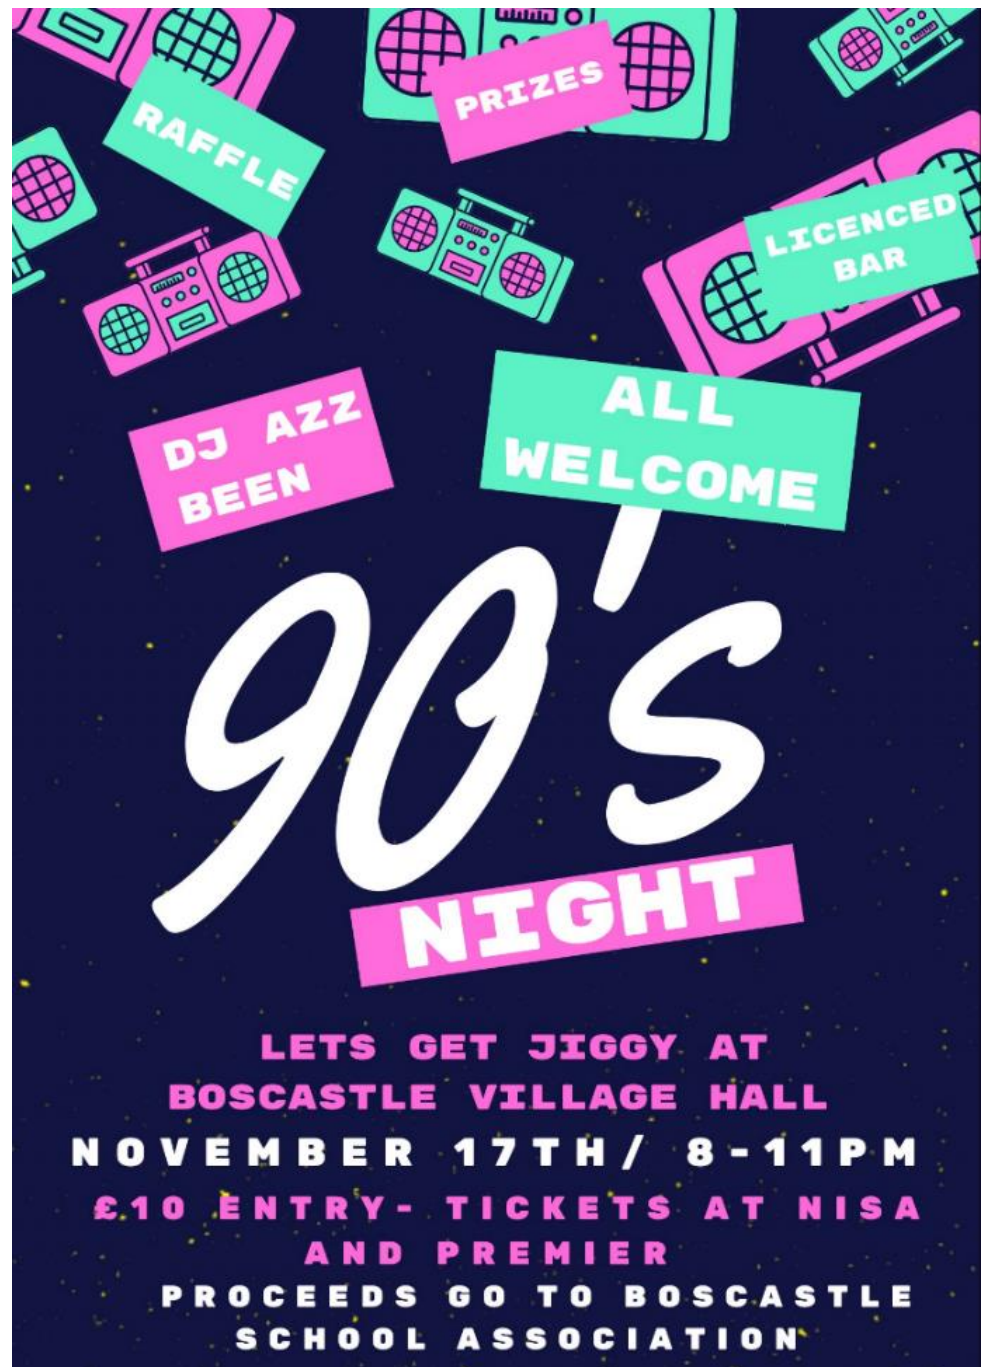

We made colourful pasta salads this week, the children's cutting and slicing skills were amazing!

Sea shanty festival

We have been practicing our sea shanty songs in assemblies this week ready for the Cobweb's festival on 11th November. We hope to see as many children there as possible to represent our school and show their fabulous singing skills to the community. We'll also be collecting donations towards a new digital piano which we're hoping to buy very soon.

School Association 90's Night

<https://parentview.ofsted.gov.uk/>

Many thanks to the parents who have completed the online parent survey, we need at least 10 responses for results to be published on the Ofsted Parent View website. We then use the outcomes to inform our school improvement and self-evaluation for the year. Thank you in advance for your support with this.

Kind regards
Sara Haden
