## Autumn Newsletter 2023 – Number 13

08 December 2023

Dear Parents

This week...

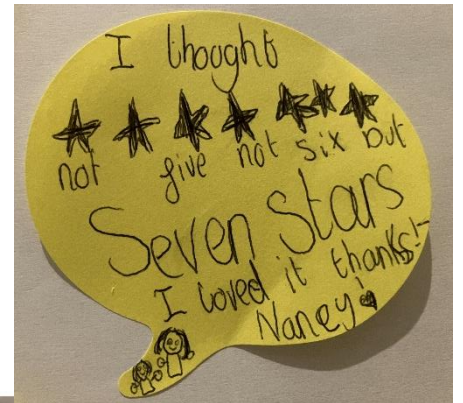

### Boscastle Lights Switch On

The children enjoyed joining the Boscastle Buoys to sing 'Cornwall My Home' last week and to perform our own Christmas songs.

Many thanks to everyone who came along to support the community late night shopping and our school craft stall donations totalled £156.11 which will be added to our fund to purchase a digital piano.

### Nadelik

On Wednesday afternoon, the whole school enjoyed a magical festive performance of Nadelik by O-Region theatre group. The children were absolutely fantastic and the performers said "they were the perfect audience!" Nadelik is being performed at Camelford library on Saturday 16<sup>th</sup> December if anybody wants to attend or take younger siblings to share the magic.

### Pre-School & Reception shared sessions

We have arranged for more regular sessions with our youngest children and the Boscastle Pre-School; these will take place weekly after Christmas. Last week, the children really enjoyed sharing their learning and playing alongside the younger children when they came to visit us; it was wonderful to see them so engaged and setting such a brilliant example to others. Well done to Jackson, Jack, Caspar, Stanley, Romy and Marko!

### School Christmas Tree

Our school tree is looking very festive in the playground. It was kindly donated by Cedar Croft Nursery.

Also, many thanks to Louise and Richard Smith for collecting it for us.

## Hot off the press

Year 3 and 4 have finished their newspaper reports on Jake Winn's exciting lockdown discovery. They are on Teams for you to read and enjoy!

# BOSCASTLE BIG NEWS! RARE ROUGHTOR WINN FIND

BY BOSCASTLE SCHOOL CLASS 2.5

*Elyza Sargeant age 8*

*During lockdown on 20th January 2021 a boy named Jake Winn ( ex Boscastle pupil) made a rare discovery of a metal rusty brooch in the fields of his farm near Camelford( Roughtor Heights farm).*

*Jakes Winn's outstanding discovery*

*Jake Winn then age ten, made a shocking discovery of a shield shape object when he heard his ballistic metal detector continuously bleeping.He dug fiercely to find out what discovery he had uncovered.He carefully took the metal object inside to clean.*

*He went inside to tell his shocked parents " this is the probably the most exiting discovery at Roughtor Heights farm ever!" Exclaimed Amy Winn ( Jake's mother) excitedly .*

*At first Jake Winn believed it was a metal rusty coke can top but when he cleaned it inside with some water he discovered it wasn't at all a rusty coke can top but he found out it was much more exciting, he found out it was a metal brooch. Could there be any more treasure to uncover?*
