Monitoring & Assessment Observations to feed into SoW review at end of year

2022 2023 C2 was comprised of Y3 & Y4 children. They had a great year with lots to celebrate. They clearly love songs so have internalised many chunked phrases for numbers, greetings, there is / there isn't, je suis AND produced some beautiful pizza artwork. Some children miss parts of the lesson due to music lessons but, they are all very good at rejoining the lesson and catching up / remembering where they had got to in their learning.

Part way through the year Y2 children joined C2 for afternoons and with support some of the younger / children with SEND really rose to the challenge of writing in French using picture word mats. They picked up some of the phonemes so should be ready to start reading familiar words applying their phonics during 2023 2024.

As the class will include Y2 children from the start of the year in September 2023, we will start with colours and numbers to introduce phonemes, reading and writing to the younger children in Y2 and those in Y3. These children will use a sentence builder to create a concertina person writing key, simple sentences about themselves: Je m'appelle XXX. J'ai 8 ans. J'ai un chien. J'aime le rouge.

The Y4s may recall spelling some of these words already so should be ready to produce some great artwork and writing of questions and answers to introduce themselves

REVIEWED TOPICS for this year during summer 2 and holidays in August 2023.

Cycle 1 (2023-2024)	Term 1	Term 2	Term 3	Term 4	Term 5	Term 6
Being a Linguist	Warming up French brains. KISS!	Cognates, patterns, memory hooks	Understanding the gist	Pattern spotters & sentence detectives	Cognates, memory hooks	Pattern spotter, memory hooks
