Spring Newsletter 2024 – Number 10

15 March 2024

Dear Parents

## This week's news...

### Yogurt painting

On Wednesday 13<sup>th</sup> March, children from Reception to Year 4 were invited by Kier construction to assist with developing the sea defence wall along the Ergue Geberic walk in Bude.

They listened to civil engineer Jack Walker, who explained to them the role of a civil engineer and projects that Keir have been involved in.

The children were then given pots of natural yogurt in pairs to paint on the wall in order to encourage bacteria and lichen growth, in order to age the wall and make it more in keeping.

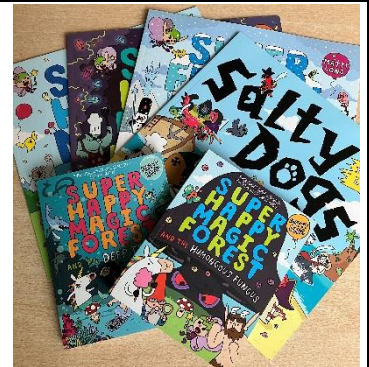

As always, the children were fantastically behaved, well-mannered and represented the school brilliantly!

### Reading Assembly

Liz Long, our new governor, kindly came in to share some of her son's published stories in our weekly reading assembly. The children listened brilliantly and enjoyed meeting the characters and hearing their adventures.

Many thanks to Liz who has generously donated a selection of Matty's books for the children to enjoy.

### Landrake Cross Country

Bella, James and Otis headed over Landrake School earlier today to compete in the annual cross country run. Many thanks to parents who are supporting our runners. We look forward to hearing all about it next week.

## Lego Robotics league

Our Year 6 Robotics Team took part in the First Lego League Competition at RNAS Culdrose yesterday. They came a very respectable 10<sup>th</sup> out of 32 schools in the Robot Game in which they coded their robot to carry out as many missions as possible in 2 and a half minutes in order to score as many points as they could. The group had a really great day where they presented their Innovation Project to a panel of judges as well as participating in the range of STEM activities on offer. As always they represented our school fantastically well, joining in with interest, enthusiasm and appreciation of the whole event. Many thanks to Jean (Tamsyn's Mum) for helping with transport and joining us for the day.

We look forward to running the Robotics Club again in the summer term to include our Year 5's, as the Year 6's are keen to pass on their knowledge, experience and top tips to Year 5's who will take part in the competition next year.

### Comic Relief

We raised £89.02 for Comic Relief! Many thanks for your kind donations.

## Spring Term Exhibition Of Children's work

Tuesday 19 March  
13.30 - 16.00

At Boscastle Village Hall

All parents, families and governors are invited to come along to take a look at what we've been learning this term.

The Year 6 Robotics Team will be giving demos of the First Lego League Robot Game, and on hand to tell you more about what they've been up to.

Also:

14.50: Strings Performance with Barbara.

We look forward to seeing you there.

**Clubs next week** Due to staff meetings/training and a football tournament at SJS there will be **no Art Club and Lego Club next week**. Robotics Club will be in the Village Hall at the Spring Exhibition. Wild Tribe Club & Football Club plus Y6 Clubs (before school) will be on as usual.

Kind regards Sara Haden Headteacher
