Spring Newsletter 2025 – Number 02

17 January 2025

Dear Parents

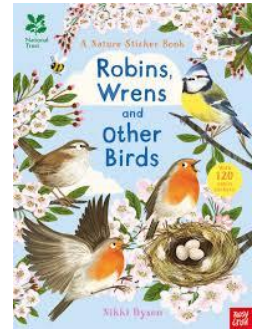

This term's class texts

Covering everything from habitats and diets to myths and legends, this book is a beautifully illustrated introduction to a variety of European birds.

Class 1

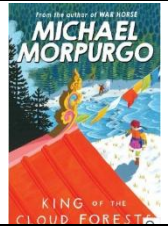

From oystercatchers wading in the estuary to woodpeckers nesting in the woods, this is an excellent text to introduce younger children to all types of birds.

Class 2

During the Second World War, Ashley and Uncle Sung must flee across the icy landscape of the Himalayas. Food is scarce and they are trapped by a terrible storm. Once the storm ends, Uncle Sung leaves to find help. When a strange visitor finds Ashley and takes him higher into the mountains, he wonders if he will ever see his family again.

Class 3

A spoilt, 10-year-old girl called Mary Lennox is orphaned by an outbreak of cholera and sent to live with her reclusive uncle, Archibald Craven, at Misselthwaite Manor in Yorkshire. Liking no one and no one liking her, Mary is left to her own devices. One day, she hears about a secret garden somewhere on the property that nobody is allowed to enter. When Mary finds the key to the garden, it's like entering a secret world.

Many thanks to the Boscastle Shanty Festival Committee

The Committee have kindly donated £200 to us which will go towards purchasing wooden furniture for the outdoor area which we're currently developing behind the main building at the back of Class 3.
