Spring Newsletter 2025 – Number 12

28 March 2025

Dear Parents

Tec Girls

Our Tec Girls took part in a Cyber Guardian's day as the finale to this term's online safety focus. They had a fantastic day putting into practice all the cyber safety knowledge and skills they've gained over the past 5 weeks of online seminars.

We're really looking forward to working with the TEC GIRLS charity again next term which will be on Stop Motion Animation. Please note the change of day, as the club will run on Wednesday's after-school throughout the summer term. This will be open to Year 3 to Year 6 girls and parents can sign up after Easter when the clubs lists come out.

TEC GIRLS STOP MOTION MENTORS

A FREE AFTER SCHOOL CLUB FOR YEAR 4&5 GIRLS

STARTING 30/4/25
ONLINE EVERY WEDNESDAY
3.45 - 4.15PM

IN CLASSROOM SCREENING PARTY ON
9/7/25

OVERVIEW

The Stop Motion Mentors club has been created to encourage more girls into film making, animation, directing and editing. Over the 10 weeks the girls will learn how to develop a story plot, create storyboards, develop characters, create their own sets, and film and edit their movies. It is to also build up confidence and leadership skills, helping girls to become TECgirl Mentors for your school.

Cross Country

Well done to Otis and Max who both competed in the **Landrake Cross Country**. They expertly managed the hilly, muddy course and Otis had a great run coming 52nd out of over 600 runners.

On Tuesday, Otis travelled to Newquay to represent Bosccastle School at the **Cornwall School Games County Primary Cross Country Final**. It was a busy event with over 100 runners competing in each of the 6 races. Otis ran amazingly and finished 22nd out of 87!! He showed brilliant sportsmanship, encouraging and cheering other the runners on. We are incredibly proud of him and can't wait to see his future sporting successes!

Well done Otis!

Class 3 Allotment visit

Class 3 enjoyed a great day out to a small holding just outside St Teath on Friday. We have been working on our topic Sow, Grow and Farm for the last few months and our trip offered us the opportunity to get out and see some of the practices we have been learning about.

We learnt about goats, fed the chickens and planted seeds. We had the chance to handle some of the animals, learnt about natural predators and how to keep animals safe and how to properly look after animals.

A big thank you to Neil Bridges, our governor, who drove us on the minibus and to Jamie, Sian and Raine who kindly showed us around the smallholding.

Dance performance

The children put on a fantastic performance to a packed hall on Thursday afternoon, entertaining other pupils, family and friends. Following their term's work with Rob, it was a pleasure to watch as they danced with enthusiasm, energy and co-ordinated their moves with smiles on their faces. Thank you to everyone who came along to watch.

Music

In their ukulele lesson this week, the children have been writing and composing their own songs which we look forward to hearing them perform very soon.

Egg Rolling on Friday 04 April

On Friday we'll be running our Easter Egg Rolling races down the hill just outside school.

Please could children bring **a hard-boiled egg** which must be named (other decoration optional)

***** NO AFTER-SCHOOL CLUBS NEXT WEEK *****

Kind regards Sara Haden Headteacher
