Dear Parents

Strings assembly

We were sad to say goodbye to Barbara in our Strings assembly on Tuesday.

We hugely value music at Bosccastle and Barbara has been an important part of our music offer for so many years. We're so grateful for Barbara's unwavering commitment and enthusiasm, so many of our children have benefitted from her musical expertise and Barbara will be really missed by us all here at Bosccastle.

A message from Barbara:

Thank you so, so much for the beautiful send off yesterday. I knew why I kept my professional functioning (40 years of practise) in place and didn't read the messages from the children until I got home. 😊 To have a card from every single child is just another reminder how wonderful the school is and I am so glad that Mavi started his education there. And so is he!

The flowers are beautiful and I'll find a nice place for the peony in the garden, now I've got time to diminish some weeds and make some space.

Lucas asked me yesterday where I was going on my travels and I said, if it's sunny we just go to Trebarwith. He looked rather disappointed but cheered up when I said that we would cross the channel when the weather is bad here.

I am very happy that I will be able to thank the children in person next week. Such stars.

This week's class news

Class 1

Class 1s learning has focussed on the significance of VE day this week; they have considered what 'victory' is and made collages to depict what Victory might mean to them, considering textures, colours and shapes. Reception children have been making and describing patterns in maths,

while Year 1 have continued their work on fractions, finding the whole if they know a fractional part. In writing, Reception have created posters and labelled about VE day celebrations, while Year 1 have been writing a 1st person diary from the point of view of a spitfire pilot. The children are really enjoying their PE at the moment, rehearsing and preparing their athletic skills ready for Sports Day!

Class 2

In Class 2 this week we finished off our maths unit on fractions and have moved on to learning about 'Mass and Capacity'. In English this week, we have been writing an instruction text about 'How to make your own Egyptian mummy'. The children will be using each other's

instructions are clear and easy to follow! During Wild Tribe, Class 2 baked rice crispy cakes. They used the fire to melt the chocolate, butter and golden syrup mixture before adding it to the rice crispies. Then the children decorated their cakes with sprinkles ready for our VE Street Party.

Daisy Shared her pictures, medals and trophies from her recent Gymnastics competition in Jersey. Daisy competed in Bar, floor, beam and vault events. Daisy won the Level 10 Skill Seekers category!

Bella shared a poem she had written about school this week. Bella had chosen to practice her poetry skills while she awaits new homework for this half term!

Class 3

Year 6 had a busy week with final preparations for their SATs tests which they sit next week, as well as planning a shopping list for their ...

SATs Breakfast Club which will be on every day Monday to Thursday from 08.10.

Willow treated us to a cello performance in assembly, and she was pleased to receive her Copper Music Medal award which was presented by Barbara.

Kind regards
Sara Haden
